I'm kissin' your picture, goodbye  
And I hate to treat it this way  
But you said to forget all that reminds me of you  
So I must throw your picture away  
I must throw your picture away

How can I just cast aside  
A love that's in my heart to stay  
Where do I go to throw a picture away?  
Where do I go to throw a picture away?

I know I won't forget all that reminds me of you  
When I can look at your picture each day  
It's a paper impression a most prized possession  
Where do I go to throw a picture away?  
Where do I go to throw a picture away?

How can I just cast aside  
A love that's in my heart to stay  
Where do I go to throw a picture away?  
Where do I go to throw a picture away?
