Where does a broken heart go, does it just fade away?
Is it lost forever, will it live again someday?
How can a broken heart live on with more than its
share?

When it knows the game is lost and it's hopeless to
care

When a heart has taken 'bout all it can stand

Is it then protected with God's loving hand?
Where does a broken heart go when it dies of pain?
Is there a heaven for broken hearts, will it live again?

Is it then protected with God's loving hand?
Where does a broken heart go when it dies of pain?
Is there a heaven for broken hearts, will it live again?
