Soft as the voice of an angel, breathing a lesson  
unheard  
Hope with a gentle persuasion, whispers her  
comforting word  
Wait till the darkness is over, wait till the tempest is  
done  
Hope for the sunshine tomorrow, after the darkness is  
gone

Whispering hope oh how welcome Thy voice  
making my heart in its sorrow rejoice

If in the dusk of the twilight, dim be the region afar  
Will not the deepening darkness, brighten the  
glimmering star  
Then when the night is upon us, why should the heart  
sink away

When the dark midnight is over, watch for the breaking  
of day

Whispering hope oh how welcome Thy voice  
making my heart any sorrow rejoice
