Wishful thinking daydreams fly
Happy visions fill the night
Untold memories fade to blue
While my heart aches just for you
While my heart aches just for you

Oh, I would walk a thousand miles
I'd swim the seven seas
I'd come to stars in the Milky Way
Or leaves upon the trees

To see the twinkle in your eye
The devil in your smile
Hold your hand touch your lips
For just a little while

Wishful thinking daydreams fly
Happy visions fill the night
Untold memories fade to blue
While my heart aches just for you
While my heart aches just for you

Wishful thinking daydreams fly
Happy visions fill the night
Untold memories fade to blue
While my heart aches just for you
While my heart aches just for you
