Are you thinking that I wasn't meant for you  
Could it be you believe that I've been untrue  
Listen sweetheart, this just can not be  
For you're the only good thing that's happened to me.

We have our ups and downs like all lovers do  
But you know in your heart that I worship you  
So don't ever think of setting me free  
For you're the only good thing that's happened to me.

--- Instrumental ---

We have our ups and downs like all lovers do  
But you know in your heart that I worship you  
So don't ever think of setting me free  
For you're the only good thing that's happened to me.

--- Instrumental to fade ---
