This is a song with a message,  
I want you to heeeced my warning.  
Wanna tell you all a story, about this chick I know.  
They call her Amphetamine Annie, and she's always  
shovelin' snow.  
I sat her down and told her, I told her crystal clear  
I don't mind you gettin' high but there's one thing you  
should fear  
Your mind might think it's flyin' baby on those little pills  
But you ought to know it's dyin', cause - speed kills!  
But Annie kept on speedin', her health was gettin' poor  
She saw things in the window, she heard things at the  
door  
Her mouth was like a grindin' mill, her lips where  
cracked and soar  
Her skin was turnin' yellow, I just couldn't take it no  
more  
She thought her mind was flyin' on those litte pills  
She didn't know it was going down fast, cause - speed  
kills!  
--- Solo ---  
Yaaaa, speed can kill you too baby, yaa  
Well I sat her down and told her, I told her one more  
time  
The whole wide human raice has taken far too much  
melamine  
She said "I don't care what a limey says, I got to get it  
on  
I'm not hip to the seen of the man who come from  
across the pond."  
She wouldn't heed my warning, Lord she wouldn't hear  
what I said  
Now she's here in the grave yard, and she's awfully  
dead.  
Ya, speed gonna kill you!  
Anybody.  
Speed will get you!  
Speed from over the pond.  
There ain't no hope baby...  
Yaa, aah hah.  
Spoon a Spoon a Spoon.... huah...
