From the badlands came the killer  
He lived by the knife and the gun  
He'd cut ya just for standin'  
Shoot ya if ya tried to run  
He was as big aa a tree and did as he pleased  
And everthing he did was bad  
They said if ya was to kill him  
You'd only make him mad  
From the goodlands come the cowgirl  
Patty was her name  
She was hot on the trail of that killer  
On a moped she called Flame  
Cause the killer had killed her daddy  
For spittin' in the road  
And you only had to kill her daddy once  
To get that gal PO'd

(Chorus)

Yippee yay a Cow Patty  
Yippee yay a Cow Patty  
She rode in to town to find the man who killed her  
daddy  
Yippee yay a Cow Patty

Killer hit town at day break  
Ate the door off the local saloon  
He started to drink  
You could tell ne was thinkin' they'll be a showdown  
soon  
Patty hit town in a cloud of dust  
Old Flame was buzzin' like a saw  
And the whole town got as quiet as a church  
When the killer stepped out for the draw  
Forty shots rang out forty people fell  
Patty and the killer missed each other  
But they shot that town to hell

(Chorus)

Killer took a step toward Patty  
Said it's time I gunned you down  
But he slipped in somethin' that was layin in the street

And was shot fore he hit the ground  
Yes the killer slipped  
And it cost him his life  
And Patty said as she roared out of town  
You gotta watch your step  
When you know the chips are down

(Chorus)
