I was sittin in my basement  
I just had myself a taste of something  
That I love to taste because it seems to  
Make my day  
When my friend calls on the phone and says  
I'm glad I caught you home.  
There's a fool down on the corner  
Giving hundred dollar bills away  
He said time is a wastin  
So get your motor racin  
But I had another taste n  
I headed for the door  
And I tried to find my hat  
And I had a little more  
And I had another taste and then

### CHORUS

I got stoned and I missed it  
I got stoned and I missed it  
I got stoned, and it rolled right by  
I got stoned and I missed  
I got stoned and I missed  
Woe me oh my

A very lovely lady said that she would be my baby  
And we both wound up at my place for a taste  
And to talk a bit  
Next day she woke up rosey  
And she snuggled up so cozy  
When she asked me if I loved her  
It hurt me to admit

### CHORUS

Aint makin no excuses for anything I uses  
To sweetin my relationships and  
Brighten up my day  
But when my earthly race is over  
And I'm headed for the clover  
And they ask me how my life has been  
I guess I'll have to say

## CHORUS
