Bill walked me to my door last night  
And he said, 'Before I go...  
There's something about our love affair  
That I have a right to know...'  
I said, 'Let's not stand out here like this  
What would the neighbors think?  
Why don't we just... step inside  
And I'll fix us both a drink'

Chorus:

My girl, Bill  
My, my, girl, Bill  
Can't say enough about the way I feel  
About my girl  
(My girl my girl)  
My girl Bill

William's hands were shaking  
As he took his glass of wine  
I could see we both felt the same  
When his eyes met mine  
I said, 'Who we love and why we love  
It's hard to understand  
So let's just sit here on the couch  
And face this, man to man'

Chorus

Bill, you know we just left her place  
And we both know what she said  
She doesn't want to see your face  
And she wishes you were dead  
Now, I know we both love her  
And I guess we always will  
But you're gonna have to find another  
'Cause she's my girl... Bill

My girl Bill  
My, my, girl Bill  
Can't say enough about the way I feel  
About my girl  
(My girl my girl)

Talkin' 'bout my little girl  
My girl, Bill
