You can't run away forever  
But there's nothing wrong with getting a good head  
start.

You want to shut out the night

You want to shut down the sun

you want to shut away the pieces of a broken heart.

Think of how we'd lay down together

We'd be listening to the radio so loud and so strong.  
Every golden nugget coming like a gift of the gods.  
Someone must have blessed us when he gave us those  
songs

I treasure your love  
I never want to lose it

You've been through the fires of hell  
And I know you've got the ashes to prove it.  
I treasure your love

I want to show you how to use it

You've been through a lot of pain in the dirt  
And I know you've got the scars to prove it.

Remember everything that I told you  
And I'm telling you again that it's true.  
When you're alone and afraid and you're completely  
amazed  
To find there's nothing anybody can do

Keep on believing  
And you'll discover baby:

There's always something magic

There's always something new

And when you really

really need it the most  
That's when rock and roll dreams come through.  
The beat is yours forever  
the beat is always new

And when you really  
really need it the most  
That's when rock and roll dreams come through . . . for  
you.

I treasure you love  
. . .

Remember everything that I told you  
And I'm telling you again that it's true.  
You're never alone cause you can put on the phones  
And let the drummer tell your heart what to do.  
Keep on believing and you'll discover baby:  
10

There's always something magic  
. . .

The beat is yours forever -  
That's when rock and roll dreams come through.  
The beat is yours forever - . . .
