Tired of all the same damn tricks
Don't know how to use what they got
I wanna play some games, use some toys
No teasin', just pleasin', yeah

Take me up to your room
I wanna see what you can do
Throw me on the bed and tie me up
Handcuffs 'till I can't get enough

I wanna go so deep
It hurts so good and I wanna be so bad, yeah
Don't stop until you get so deep
Keep going 'til you get so deep

Move faster, baby, harder
I wanna feel you inside me, yeah
Pulling your hair, gaspin' for air
Sweatin' so hard I can't see, yeah

Take my arms up above me
You're making me moan 'cause I'm so hungry
Bite me, tease me, use your tongue
Don't worry 'cause I'm not gonna run

I wanna go so deep
It hurts so good and I wanna be so bad, yeah
Don't stop until you get so deep
Keep going 'til you get so deep

I'm almost there, baby, please don't stop
I can get there faster when you're on top
Go deeper baby, deeper, deeper, yeah
I think I'm gonna

I wanna go so deep
It hurts so good and I wanna be so bad, yeah
Don't stop until you get so deep
Keep going 'til you get so deep
