Jesus and the fiery furnace
Oh the Devil and the deep blue sea
Preacher say I'm gonna burn in Hell for all eternity
But when I have my Judgment Day
And I lock eyes with my Savior
Well this is what I'm gonna tell Him when
He asks about my behavior

I'm gonna say
God was drunk when He made me
God was drunk when He made me
God was drunk when He made me
And that's why I'm so crazy

Jesus and the fiery furnace
Oh the devil and the deep blue sea
God was drunk when He made me
But that's okay, 'cause I forgive Him
(Ooh)

See if it was God who made forgiveness
Then before that He must've made sin
(Yep)
And He built the house of brotherly love
Then let the Devil come dancing in?
(That's right)

If it's God that saved the miracle child
From the peril of the fiery flame
(Well)
(Well then)
It must've been Him
That killed the two hundred others
Just to glorify His name
(His name)

That's why I say
God was drunk when He made me
God was drunk when He made me
God was drunk when He made me
And that's why I spout heresy

Jesus and the fiery furnace
Oh the Devil and the deep blue sea
God was drunk when He made me
But that's okay, 'cause I forgive Him

ooh ooh oh
Members it's gonna plastic
