There is one God, He is the only God  
He is your God, He is my God  
He is the Father, He is the Son  
He is the Holy Spirit, He is three parts of One, uh hu

He came as a man, willingly died  
Nailed to a cross, forsaken, denied  
Betrayed by Judas, hung up and scorned  
With blood and water and a crown of thorns, uh hu

CHORUS:

He gave it all for you, That is Agape'  
And He still love you, That is Agape'

He is Jesus, He's Yeshua  
He is the great I am, you best believe in Him  
One day you'll meet Him, and if you believe  
Into His Kingdom, you will be received  
But only if you believe

CHORUS:

He gave it all for you, that is Agape  
Ya, He gave it all for you, that is Agape  
He she'd his blood for you, that is Agape  
Ya, He gave His life for you, that is Agape  
And He still loves you, That is Agape

END:

That is true love, Agape (4X)  
There is one God, He is Jesus (2X)  
Je-sus! (repeat to end)
