I am eager  
Ready for anything from you, Lord  
But there's a part of me that's lazy  
As an old dog sleeping by the fire

Motivated  
To do whatever you ask, Lord  
But there's a part of me that's lustful  
Given to falling into old ways

CHORUS:

I must Keep watch and pray  
I must run run from temptation  
My Spirit is willing  
But my flesh is weak

I am eager  
Ready for new life with you, Lord  
But there's grave clothes hung in my closet  
That I dressed in before I knew you

CHORUS:(2X)

I must Keep watch and pray  
I must run run from temptation  
My Spirit is willing  
But my flesh is weak

END:(4X)

Lord, weak I might be  
But there is such strength in thee  
Jesus, weak I might be  
But there is such strength in thee
