With the sound of the trumpet
He will gather us
So shall the coming of Jesus be
In the twinkling of an eye
It will seem a flash
We'll go and meet him in the sky

CHORUS:

He's Coming!
He's Coming!
The Lord Jesus is coming
And we will meet Him in the air
He's Coming
He's Coming
Don't you want to be there?

Two shall be in the field
One taken and one left
One gone to meet our Lord in Heaven
If this is not the truth
Would Christ have spoken it?
On the word of Christ we rely

CHORUS

He's Coming!
He's Coming!
The Lord Jesus is coming
And we will meet Him in the air
He's Coming!
He's Coming!
Don't you want to be there?

BRIDGE:

We know not the day nor the hour
We sense the time is nearly here

CHORUS:

He's Coming!

He's Coming!
The Lord Jesus is coming
And we will meet Him in the air
He's Coming!
He's Coming!
Don't you want to be there?

END:

It could be today, it could be tomorrow
The Lord Jesus is coming, and we'll meet Him in the air!
It could be today, it could be tomorrow
The Lord Jesus is coming, and we'll meet Him in the air!
Are you ready?
