It is where it all began, Abram's promised land
Sweet, sweet Israel
A manger in Bethlehem
There born the Great I am
Jesus born in Israel

BRIDGE:

He will bless those who bless her
He will curse those who curse her

She's in danger from all sides, She's no place to hide
Sweet, sweet Israel
Gog Magog, with might they'll come
Too late they'll try to run, because
God will defend Israel

BRIDGE:

He will bless those who bless her
He will curse those who curse her

It is where it all will end, Just to begin again
Sweet, sweet Is-ra-el
Christ will come to sacred ground, He'll slam His foot
down
An army of saints in Israel
The final battle in Israel
Christ will win in Israel

END:

Oh praise the King of Kings, He is victorious!
Oh praise the Lord of Lords, He is victorious!
Oh praise the King of Kings, He is victorious!
Oh praise the King of Kings, He is victorious!
Victorious!
