I know Him and I want you to know Him  
He saved me and He can save you  
Jesus is the way  
Jesus is the truth  
Jesus is the life for you

I praise Him and I want you to praise Him  
He leads me and He can lead you  
Jesus is the way  
Jesus is the truth  
Jesus is the life for you

BRIDGE:

The cross at Calvary  
He shed His blood for me  
Worship that man from Galilea

Jesus is the way  
Jesus is the truth  
Jesus is the life for you  
Jesus is the life for you  
Jesus is the life, 'cause

END:

I know Him and I praise Him  
I know Him and I praise Him  
I know Him and I praise Him  
I know Him and I praise Him
