Heaven is no Land of Oz
There's no Yellow Brick Road
No wizard behind the curtain
There is no Scarecrow

Oh, there is no place like home
Home is with the Son of Man
His city is not emerald
It is Gold, pure gold

CHORUS:

Oh, there is no place like home
My mansion is in Heaven
Jesus, He will get me home
Oh, there is no place like home

Lion is not cowardly
The Lion He is the King
The Lion He became the Lamb
The Lion is the Great I am

CHORUS:

Oh, there is no place like home
My mansion is in Heaven
Jesus, He will get me home

Oh, there is no place like home
My mansion is in Heaven
Jesus, He will get me home
Oh, there is no place like home
Oh, there is no place like home
Oh, there is no place like home
