Lord, I do what I can  
Locked in flesh of mortal man  
I strive to be like you  
To do as you would have me do

CHORUS:

Seven words I long to hear  
Seven words when I leave here  
Well Done My good and faithful servant  
Well Done My good and faithful servant

So soon the day will come  
When life's race will have been run  
Across the finish line  
I will pass in your perfect time

CHORUS:

Seven words I long to hear  
Seven words when I leave here  
Well Done My good and faithful servant  
Well Done My good and faithful servant

BRIDGE:

Lord I try to spread your word  
Oh how I try to live your wor  
Now all I want is to hear you say Lord

END:

Well done my good and faithful servant  
Well done my good and faithful servant  
Well done well done well done
