Look up  
For your redemption draws near  
Look up  
Without timidity or fear  
Look up  
And give your praise to Jesus  
Hold on  
Because He's coming back for us

### CHORUS:

Soon, so very soon  
I can almost hear the trumpet now  
Soon, so very soon  
Look up, for your redemption draws near

Listen  
For He will call you by name  
Get up  
You will leave this earthly plane  
Sing out  
He wants to hear praise from you  
Hold on  
Because He's coming back for you

### CHORUS:

Soon, so very soon  
I can almost hear the trumpet now  
Soon, so very soon  
Look up, for your redemption draws near

### BRIDGE:

Comfort one another with these words  
Occupy until He comes  
Comfort one another with these words  
Soon we will be with the Risen One  
Even so, come quickly!

### END CHORUS:

Look up  
For your redemption draws near  
Look up  
For your redemption draws near

Look up  
For your redemption draws near  
Look up, 'cause it's very soon  
Look up for your redemption draws near  
Yes He's coming on the clouds and  
He'll call us out of here  
Look up, 'cause it's very soon  
So very soon, so very soon
