"We Are The Church"

We worship you
The Alpha and Omega
We worship you, The beginning and the end
You are the first and last
King of now and ages past
We are the church, We are the church
And we worship YOU!

We are in awe
Of your grace and mercy
We are all yours, Yes you paid our price in full
We love to sing your praise
You the ancient of days
We are the church, We are the church
And we worship YOU!

BRIDGE:

More than a building
More than a congregation
We are your body, Transcending all nations
We all came to the cross, equally lost
And there we stay
Through your grace we're saved

END:

We are the church, We are the church,
We are the church, We are the church
And we worship you, Lord We Worship You
