Some folk built like this, some folk built like that  
But the way I'm built, you shouldn't call me fat  
Because I'm built for comfort, I ain't built for speed  
But I got everything all the good girls need

I don't have no diamond, and I don't have no gold  
But I've got a lot of lovin' and I want you to know  
That I'm built for comfort, I ain't built for speed  
But I got everything all the good girls need

Some folk built like this, some folk built like that  
But the way I'm built, you shouldn't call me fat  
Because I'm built for comfort, I ain't built for speed  
But I got everything all the good girls need

Some folk rip and roar, some folk b'lieve in signs  
But if you want me, you got to take your time  
Because I'm built for comfort, I ain't built for speed  
But I got everything all the good girls need

But I got everything all the good girls need  
I, I love you baby  
I, I love you baby  
But I got everything all of the good girls need

And I don't got no diamonds, don't have no gold  
Got a lot of lovin' to satisfy your soul  
I'm built for comfort, I ain't built for speed  
But I got everything all the good girls need
