Immense oceans of gore, rivers of pus, mountains of
bones
Rapture, fester in filth, abnormal wealth, immersed in
a
World of decadence

Ecstasy in decay, engrossed in deterioration
Pendant for extreme ordure
Pervading of viscera
Rejoice in grisly disgust

Exorbitant reality

One thousand years of compiled waste, frenzy in muck
Intoxicates

Ecstasy in decay, engrossed in deterioration
Pendant for extreme ordure
Pervading of viscera
Rejoice in grisly disgust

Exuberant castigation

Wading in bile, soaking in guts, ancient inards
Immense oceans of gore, rivers of pus,
Mountains of bones
Rapture, fester in filth, abnormal wealth
Immersed in a world of decadence

Mind altered, eternally fetid cadaverous empire
Squelched domain
Swamped ruins, dismal necrotic incarnate
Metropolis
Lost dwelling

Exorbitant reality
Obscured ossuary

One thousand years of compiled waste, frenzy in muck
Intoxicates
