Lusting for eternal pain  
Begging to be tortured  
Agony brings relief, I am insane  
Indulging in self-mutilation  
To satisfy my need again  
The pain severe from my severed veins  
Curing me of deprivation  
Pain I crave  
Euphoric state of butchery  
Revelling in gore and blood  
Pain I save  
Igniting visions of the past  
Dismembered bodies never found  
Pain I gave  
Deranged by my deviance savage goal to maim and  
kill  
Obsessed with my cruelty, vicious ways for me to die  
Sado-masochistic rage, horrific daze, reality  
Pleasure from sadistic intent, driven by my lust for pain  
Punishment my way of life, suffering intensifies  
Sacrifice  
Brutal frenzy, no control, perverse actions gratify  
Wretched abnormality, condoning inhumanity  
Suicide  
Carnivorous abusiveness, boiling sawn-off testicles  
Afflicted fate stricken to malignancy  
Lechery dominates my misery  
Tortured eternally, torment inside of me  
Disturbing impulses, living in agony  
Rancid degenerate craving impalement  
Demented destiny, not fearing agony  
Excruciating hunger that I need to feed  
Soon to be slaughtered, dead, maliciously  
Tortured eternally, torment inside of me  
Disturbing impulses, living in agony  
Rancid degenerate craving impalement  
Demented destiny, not fearing agony  
Deranged by my deviance, savage goal to maim and  
kill  
Obsessed with my cruelty, vicious ways for me to die  
Sado-masochistic rage, horrific daze, reality

Pleasure from sadistic intent, driven by my lust for pain
