Horrific perception that enters the brain  
Cemented beyond immeasurable doubt  
An abnormal psyche insanity's brain  
Psychotic or not they need a way out  
Of their obscured minds

If they want to be set free  
Lunatics of wrath

Horrid killing viciously  
Like incisions  
With conviction  
Identical  
Various deaths

In hell they will find  
It is where they need to be  
Murder redefined  
Butchered meticulously  
Killed the same way

On the same day  
Identical  
Various deaths

Psychotic precision, Psychotic precision, Psychotic  
precision  
Psychotic precision  
Psychotic precision, Psychotic precision, Psychotic  
precision  
Psychotic precision

[Solo Jack Owen]  
To slaughter alike they must truly be mad

Aware not of the cruel visions each had  
Rewarded with blood on their ignorant hands  
These psychos precisely slew many men  
With their obscure minds

Feeling that they were set free

Murder redefined

Butcherd meticulously

Like incisions

With conviction

Various deaths

Killed the same way

Identical

On the same day

ImperceptibleAbysmal deaths
