Torsos hang from their own intestines
Raped of all bodily extentions, stumps wreathing in a
sludge
Like infection
Suffering through a Rancid amputation
A pulsating artery accomanied by some veins, slit with
no restraint
Sacs of pus develop
My muscles tighten as I feel the rush
I look at your body starting gush
I slice through the limb, a human dissection portions of
half-eaten
Flesh in my mouth
Starting to chew your now bleeding stump
I will swallow your pus your own rectal slime
I'll force you to drink
Vessels explode as needles injected
Uncontrollable
My brain tormented
Slit from head to toe, die through the torture
Disease engulfs you
Internal rot
Fresh cut wounds, beginning to clot
Ripping through flesh is what I do best
Tear off an arm
Amputated neck
Eyes removed, cranium smashed
Decomposing remains, severed in half
Dying slowly never to rest, nerves are quivering as I trip
Removal of life on the blade of my knife
Inserted in your spine, smashing through bone
Feel my hell, I feed on fright
Rape the limbless cadaver
