D'you ever get into a lift on your own and as soon as  
the doors shut you  
Just like drop your trousers and pants and start  
dancin'?  
Or is that just me?  
Or what about whenever you're gettin' the doona inside  
the doona cover,  
D'you like sneak inside the cover first of all, then get  
the doona in  
With you and then sneak  
Out again as if you weren't there?  
Just me eh  
D'you ever go into a bank, on your own, and you're just  
waiting in a  
Queue, and you get one of those pens with the chain on  
it and you just  
Like wiggle it around and  
Pretend it's a snake in the grass?  
(is it you?)  
Is you, is it him,  
(or just me?)  
Or just me?  
(is it you?)  
Am i all alone in this twilight zone?  
(or just me?)  
Just me?  
D'you ever get into the bed and you're just about to slip  
off into a  
Dream, and all of a sudden your leg uncontrollably just  
jerks and you go  
"oo-oo-oo! what was  
That?"  
Or is that just me?  
And it's even worse when you're sleepin' with  
somebody else 'cause your  
Leg does it and they wake up, and they go "what was  
that?" and you go  
"it wasn't me, it was  
My leg"  
What about whenever you're telling a story and people  
are listening to  
Every single word you're saying, and all of a sudden

you realise "what  
Am i telling this story for?  
This is probably the worst story i know"  
(is it you?)  
Is you, is it him,  
(or just me?)  
Or just me?  
(is it you?)  
Like am i all alone in this twilight zone?  
(or just me?)  
Just me?  
And trevor was a fish  
And he lived in a field  
He liked to play football  
But fish don't have legs  
(is it you?)  
Is you, is it him,  
(or just me?)  
Or just me?  
(is it you?)  
Am i all alone in this twilight zone?  
(or just me?)  
Just me?  
Are you ever watchin' a movie with your friends and it  
gets to the sad  
Bit and they go "you're crying" and you go "no i'm not!  
just got  
Something in me eye that's all"?  
Or what about whenever you get drunk and you walk  
home and you see this  
Road sign that's been hit by a car and it's all covered in  
muck and you  
Think "huh, that'll  
Look good in the front room"?  
And is it true that sometimes in girl's toilets they just go  
into the  
Toilet, they don't even use it, they just put the seat  
down and lock the  
Door and sit and listen to girls  
Bitch?  
Or is that just me?  
(is it you?)  
Is you, is it him,  
(or just me?)  
Or just me?  
(is it you?)  
Is it your auntie floe, your uncle bob,  
(or just me?)  
Or just me?  
(is it you?)  
Is that guy, you know that guy who owns the land up

behind the  
Graveyard, smoked a pipe, wore a hat,  
(or just me?)  
Or just me?  
(is it you?)  
Is it all of us? is it none of us?  
(or just me?)  
Or just me?
