We're in the club, in the club  
And we're looking for love  
So tell me where it's at  
Just tell me where it's at baby  
Out on the floor, wanting more  
She's giving it all  
So I'm a give it back  
Yeah, I'm a give it right back

We walk in right through the front door  
Me and all my peeps  
We heading straight for the dance floor  
Now you feel the heat  
We bringing love to this party  
Bringing life to this party  
You're the reason why I'm here  
So baby tell me how you want it

Yes I want it, I know you got it  
There's something crazy 'bout you  
I can't put my finger on it  
Let's keep on rocking, just rocking to it  
It's you and I together  
We just looking for the love

We're in the club, in the club  
And we're looking for love  
So tell me where it's at  
Just tell me where it's at baby  
Out on the floor, wanting more  
She's giving it all  
So I'm a give it back  
Yeah, I'm a give it right back

We're in the club [x3]  
Yeah I'm a give it right back  
We're in the club [x3]  
And we're just looking for love

We've been uptown, downtown  
Looking for that love  
The way you come around here

Makes me want to get near  
Come on, let's get it on  
The night will soon be gone  
Let's make it last, take a chance  
We can turn it on

Yes I want it, I know you got it  
There's something crazy 'bout you  
I can't put my finger on it  
Let's keep on rocking, just rocking to it  
It's you and I together  
We just looking for the love

We're in the club, in the club  
And we're looking for love  
So tell me where it's at  
Just tell me where it's at baby  
Out on the floor, wanting more  
She's giving it all  
So I'm a give it back  
Yeah, I'm a give it right back

We're in the club [x3]  
Yeah I'm a give it right back  
We're in the club [x3]  
And we're just looking for love

We're in the club  
We're in the club  
We're in the club

We're in the club, in the club  
And we're looking for love  
So tell me where it's at  
Just tell me where it's at baby  
Out on the floor, wanting more  
She's giving it all  
So I'm a give it back  
Yeah, I'm a give it right back

We're in the club, in the club  
And we're looking for love  
So tell me where it's at  
Just tell me where it's at baby  
Out on the floor, wanting more  
She's giving it all  
So I'm a give it back  
Yeah, I'm a give it right back

We're in the club [x3]  
Yeah I'm a give it right back

We're in the club [x3]  
And we're just looking for love
