Anger, he smiles,  
towering in shiny metallic purple armour  
Queen Jealousy, envy waits behind him  
Her fiery green gown sneers at the grassy ground

Blue are the life-giving waters taken for granted,  
They quietly understand  
Once happy turquoise armies lay opposite ready,  
But wonder why the fight is on  
But they're all bold as love, yeah, they're all bold as  
love  
Yeah, they're all bold as love  
Just ask the axis

My red is so confident that he flashes trophies of war,  
and ribbons of euphoria

Orange is young, full of daring,  
But very unsteady for the first go round  
My yellow in this case is not so mellow  
In fact I'm trying to say it's frightened like me  
And all these emotions of mine keep holding me from,  
eh,  
Giving my life to a rainbow like you  
But, I'm eh , yeah, I'm bold as love  
Yeah, yeah  
Well I'm bold, bold as love (hear me talking, girl)  
I'm bold as love  
Just ask the axis (he knows everything)  
Yeah,  
yeah,  
yeah!
