I was born in Georgia  
Twenty-seven years ago  
Yes I was  
I was born down in Georgia  
People let me tell you  
Twenty-seven years ago  
Augusta, Georgia  
That's what I'm talking about  
I've had heart aches and misery  
And I ain't got no place to go..oh  
oh lord...lordy  
Have you ever seen a man With tears rolling down his  
face  
You girls, You know what I'm talking about  
Have you ever seen a man With tears rolling down his  
face  
You know what I'm talking about  
They say that a man  
A man ain't supposed to cry  
But somebody tell me what else can I do  
When my little is going down on me  
Mama, ooh mama mama  
Can you hear your little boy calling your name  
Yeah yeah  
Ooohh...Mama, ewah mama mama mama  
Can you hear your little boy calling your name  
The blues has got me  
And I'm in so much misery and pain  
Somebody, somebody listen to what I got to say  
I need a little help  
I need a little help right now  
Lord I need, I need a helping hand  
Good god all mighty  
I said I need a little help right now  
Lord, I need a helping hand  
Uh huh  
My life, my life just ain't no good  
And I'm living in a world with out a helping hand  
Somebody Come on and help me out here  
Come on, come on help me out right now  
Ahhhhhhh...whhooo

So long everybody  
lord I don't see no reason to stay around  
yeah yeah yeah yeah  
let me say it again  
I said, so long, goodbye everybody  
Lord I don't see no reason to stay around  
Well now, the little girl that I love has gone and left  
me  
And all my friends  
All my friends have put me down  
Oh lord, all my friends have put me down
