hey gipsy boy
where do you come from?
from the land (of the) new rising sun
hey gipsy boy
where do you plan to go to?

i'm gonna spread a lot of love
and of peace of mind, too
may i come along?

may i come along?
may i come along?
may i come along?

may i come along?

may i come along?
may i come along?

hey gipsy boy
where do you go to?
i'm gonna spread a lot of love
and of peace of mind, too
may i come along?

may i come along?
may i come along?
may i come along?
