Hey! Hey! Hey! Hey

Look at the sky turn a hell fire red
Somebody's house is burnin' down down, down down
Down, down, down.

Well I asked my friend where is that black smoke
comin' from ?
He just coughed and changed the subject and said oh
wa I think it might
snow some
So I left him sippin' his tea an' I jumped in my chariot
And rode off to see just why and who could it be this
time.

Sisters and brothers daddys mothers standin' 'round
cryin'
When I reached the scene the flames were makin' a
ghostly whine
So I stood on my horse's back an' I screamed without a
crack
I say oh baby why'd you burn your brother's house
down ?

Hey ! Hey ! Hey ! Hey !

Look out the sky turn a hell fire red Lord
Somebody's house is burnin' down down, down down
Look out the sky turn a hell fire red Lord
Somebody's house is burnin' down down, down down
down.

Well someone stepped from the crowd he was nineteen
miles high
He shouts retired and disgusted so we paint red
through the sky
I said the truth is straight ahead so don't burn yourself
instead
Try to learn instead of burn, hear what I say, yeah,
yeah.

So I fin'ly rode away but I'll never forget that day
'Cause when I reached the valley I looked way down

cross the way
A giant boat from space landed with eerie grace
And came and taken all the dead away.

Hey ! Hey ! Hey ! Hey !

What'd I say.
Look at the sky turn a hell fire red Lord
Somebody's house is burning down down, down down
Look at the sky turn a hell fire red Lord
Somebody's house is burning down down, down down
Look at the sky, look at the sky.

Ooh, ooh, ooh
Ooh, ooh, ooh
Oh baby.
