oh listine here baby  
and stop acting so crazy

just play with me and you won't get burned

i have only one itching desire  
let me stand next to your fire

let me stand next to your fire  
oh, let my stand  
let me stand next to your fire  
let me stand next to your fire

you try to gimmie your money  
you better save it babe  
save it for your rainy day

i have only one a itchin' desire  
let me stand next to your fire

oh, let me stand

jimi:

"yeah, thank you very  
much. i'd like to do this song  
dedicated  
to maybe a soldier in the army.  
singin' about his old lady that  
he dreams about and humpin' a machine  
gun instead or it could be  
could be a cat maybe tryin' to fall in  
love with that girl baby,  
but a little bit too scared. that's  
where the problems come from  
sometimes isn't it? i mean the cat is  
really insecure a little bit  
so the call girls groupies and they  
call girls this. and they call  
passive people hippies and bla bla,  
woof, woof, all down the line  
that's because their not in love  
man that's what's happening.  
that's  
the other half of a man, is  
woman. and we'd like to play a  
thing called  
izabella, and don't you ever forget it."
