Baby let me move you
Oh baby let me move you
Baby let me move you
Oh baby let me move you

You know you looking so good there now
Oh baby let me move you
With your pretty fine self
You know you lookin' so good
I just want to move you
I just want to move you
You know you looking so good mama
Have you ever been moved
C'mon, let me move you
Oh baby let me move you
You lookin' so good
I like the way you groove babe
I just want to move you
Tell me have you ever been moved

Baby let me move
Early in the mornin'
Sugar, let me move you
Darling, in the midnight hour
Oh baby let me move
Anytime anywhere anyhow
I just want to move you
I just want to move you
I don't care
I don't mind
I don't mind, you let me move
C'mon babe
And let me move you
Owww!
Whoo!
Yeah!
Let me move you you
Move you
Move, move
Move you baby

C'mon little girl
Take me take me by the hand
C'mon c'mon and tell me
I'm a sweet lovin' man
C'mon c'mon and tell me
That I'm the best man in the land
Good god almighty
Let me move you
Good girl let me move you
Ow let me move you
Great gosh almighty
I just want to move you
If I don't live another day
I just want to move you little girl
Ow, play the guitar
