"Message Of Love"

Well, I travel at a speed,
of a reborn man.
I got alot of love to give,
from the mirrors of my hand.
I said a message of love,
don't you run away.
Look at your heart,
come along with me today.

Well I am what, I am thank you.
Some people just don't understand.
Find yourself first,
and then your tool.
Find yourself first,
don't you be no fool.

Here comes a woman,
wrapped up in chains.
Messin' with that fool babe,

your life is pain.
If you want to be free,
come along with me.
Don't mess with the man,
he'll never understand.
I said find yourself first,
and then your talent.
Work hard in your mind,
so if you come alive,
you better prove to the man,
you're as strong as him.

Everybody come alive,
everybody love alive.
Everybody love alive,
everybody hear my message.
