Freedom
Keep on pushing straight ahead

Drifting

Ezy Ryder

Here comes Ezy, Ezy Ryder,
Riding down the highway of desire
The free wind takes him higher
Trying to search for his heaven above
But he's dying to be loved

He's gonna be living so madly
Today is forever, so he claims
He's talking about dying, it's almost tragic, baby
But don't you worry about today
We got freedom coming our way

How long do you think he's gonna last -
Can I forecast?
See all the lovers say "Do what you please!"
Gotta get the brothers together and the right to be free
In a cloud of angel dust I think I see a freak
Hey, look, motorcycle mama, you gonna marry me

(Gonna be stoned crazy...
Love come in kinda easy... stoned crazy, baby)

There goes Ezy, Ezy Ryder
Riding down the highway of desire
He says the free wind takes him higher
Searching for his heaven above
He's dying to be loved

Night Bird Flying

My Friend

Straight Ahead

Hello, my friend
so happy to see you again
I'm so alone
All by myself
Just couldn't make it.
Have you heard Baby
What the winds blowing down
Have you heard Baby
A lot of peoples coming right on down.
Communication coming on strong
it don't give a damn Baby
if your hair is short or long
I said get out of your grave
Everybody is dancing in the street
Do what you know don't be slow
You gotta practice what you preach
Cause it's time for you and me.
Forget about the past Baby
Things ain't what they use to be
Keep on
