You better stop it babe
You better stop it babe
Stop your jivin' 'round
Stop it baby
Stop your doggin' 'round

Stop
Baby can't you see that I can't take it no more
Stop
Now baby can't you see I'm 'bout to go through the
floor

Never knew how good love could be
Love done gone and made a damn fool of me
Everything is hazy
One more kiss and you drive me crazy baby

Baby stop
Hold it just a minute while I go catch my breath
Stop
Baby can't you see I'm bout to scare me half to death

Thought I was the captain of my ship
Oh yeah love has gone and made me lose my grip
Everything is hazy
One more kiss and you drive me crazy baby

Stop, stop, stop, stop

Stop
Baby can't you see that I can't take it no more
You know how I'm feelin' baby
Stop
Baby can't you see I'm bout to go through the floor

Never knew how good love could be
Love done gone and made a damn fool of me
Everything is hazy
One more kiss and you drive me crazy baby

Stop, stop, stop, stop

Your jivin' baby
Your messin' around
Until mornin' time

Stop it baby
Everyday, yeah
Stop your jivin' around

Stop, stop, stop, stop, stop, stop
