STARS UP ABOVE THAT PLAY WITH LAUGHING SAM'S  
DICE

Gave me this fear that it weren't the world for us  
THE ZODIAC sign was gleaming and came THROUGH  
THE SKIES  
IT WILL HAPPEN SOON, FOR YOU

All right everybody let's get together now  
AND A WAY WE GO  
YEAH

THANK YOU VERY MUCH, come in, thank you, thank you  
THANK YOU VERY MUCH, right now  
WE'D LIKE TO BRING TO YOU OUR ah one and only  
FREINDLY NEIGHBORHOOD  
EXPERIENCE Makers, Yeah  
ALL RIGHT NOW LISTEN

Yeah baby, thank you very much  
THE MILKY WAY EXPRESS IS LOADED, ALL ABOARD  
I PROMISE EACH AND EVERY ONE of YOU YOU WON'T BE  
BORED

Now let's take time to keep everybody honest and  
straight  
WHAT I'M REALLY thinking ABOUT  
IS MY BRAND-NEW PAIR OF BUTTERFLY ROLLER SKATES  
Owww!

Thank you, thank you  
And I watch them ride!  
Yeah

Um, I meant to say that, there'll be no throwing  
cigarette butts out the window  
No throwing cigarette butts out the window, thank you  
thank you

I hope all of you brought your tooth...brush  
Yeah

NOW TO the RIGHT YOU'LL SEE SATURN  
Outta sight, really outta sight  
And IF YOU LOOK TO THE LEFT, YOU'LL SEE MARS  
Yeah, Yeah

I HOPE all of you BROUGHT YOUR PARACHUTES WITH  
YOU  
HEY, Hey LOOK OUT!

LOOK OUT FOR THAT DOOR!  
DON'T OPEN THAT DOOR!  
DON'T OPEN THAT DOOR!  
OH, WELL  
THAT'S THE WAY IT GOES  
And now we're coming through the ah, milky way  
expressway  
Yeah  
With your corn flakes, stuff like that,  
Milky way, yeah  
HEY, EVERYTHING IS ALL RIGHT, and out of sight  
Owww!  
Uh no, no (laughs)  
If you look around you you will see a few minds being  
blown  
Exactly, exactly baby  
Yeah  
I hope your all enjoying your ride  
I am!  
Aww!  
Yeah,  
(I forgot to say that) Goodbye
