Well, I'm standing here, freezing, inside your golden garden  
Uh got my ladder, leaned up against your wall  
Tonight's the night we planned to run away together  
Come on Dolly Mae, there's no time to stall  
But now you're telling me...

I think we better wait till tomorrow  
Hey, yeah, hey  
(I think we better wait till tomorrow)  
Girl, what 'chu talkin' 'bout ?  
(I think we better wait till tomorrow)  
Yeah, yeah, yeah  
Got to make sure it's right, so until tomorrow,  
goodnight.  
Oh, what a drag.

Oh, Dolly Mae, how can you hang me up this way ?  
Oh, on the phone you said you wanted to run off with  
me today  
Now I'm standing here like some turned down  
serenading fool  
Hearing strange words stutter from the mixed mind of  
you  
And you keep tellin' me that ah...

I think we better wait till tomorrow  
What are you talkin' 'bout ?  
(I think we better wait till tomorrow)  
No, can't wait that long  
(I think we better wait till tomorrow)  
Oh, no  
Got to make sure it's right, until tomorrow, goodnight,  
oh.  
Let's see if I can talk to this girl a little bit here...

Ow ! Dolly Mae, girl, you must be insane  
So unsure of yourself leaning from your unsure window  
pane  
Do I see a silhouette of somebody pointing something  
from a tree ?  
Click bang, what a hang, your daddy just shot poor me

And I hear you say, as I fade away...

We don't have to wait till tomorrow

Hey !

We don't have to wait till tomorrow

What you say ?

(We don't have to wait till tomorrow)

It must have been right, so forever, goodnight, listen at  
'cha.

(We don't have to wait till tomorrow)

Ah ! Do I have to wait ? Don't have to wait

(We don't have to wait till tomorrow)

It's a drag on my part

(We don't have to wait till tomorrow) Don't have to wait,  
uh, hmm ! Ah, no !

(We don't have to wait till tomorrow)

Don't have to wait, don't have to wait, yeah !

(We don't have to wait till tomorrow)

Don't have to wait, don't have to wait

(We don't have to wait till tomorrow)

Oh, oh

I won't be around tomorrow, yeah !

(We don't have to wait till tomorrow)

Don't have to wait

(We don't have to wait till tomorrow)

Goodbye, bye bye !

(We don't have to wait till tomorrow)

Oh, what a mix up

Oh, you gotta be crazy, hey, ow!

Don't have to wait till tomorrow.
