Well I'm standing here freezing
Inside your golden garden
Got my ladder leaned up against your wall
Tonight's the night we planed to run away together
Come on dolly may there's no time to stall
But now you're telling me that a
I think we better wait 'till tomorrow
What you say
I think we better wait 'till tomorrow
Ain't gone wait that long
I think we better wait 'till tomorrow

Got to make sure it's right
So untill tomorrow goodnight
Oh what a drag

Oh dolly may, how can you hang we out this way
On the phone you said you wanted to run off with me
today
Now I'm sanding here like some
Turned down serendading fool
Hearing strange words stutter from the mixed-up mind
of you
And you keep telling me that ah
I think we better wait till tomorrow,
What ya say
I think we better wait till tomorrow
I ain't gonna wait that long
I think we better wait till tomorrow

Got to make sure it's right
So untill tomorrow goodnight
See if I can talk to this girl a little bit

Hey dolly may girl you must be insane

So unsure of yourself
Leaning from you unsure window pane
Do I see a silhouette of somebody pointing
Something from a tree
Click bang
Oh what a hang your daddy just shot poor me

And I hear you say as I fade away

We don't have to wait till tomorrow
Well I guess we don't have till tomorrow
We don't have to wait till tomorrow
That sure is a drag on my part baby
We don't have to wait till tomorrow

It must not have been right
So forever goodnight

We don't have to wait till tomorrow
We don't have to wait
We don't have to wait till tomorrow
We don't have to wait
We don't have to wait till tomorrow
I won't be around tomorrow
We don't have to wait till tomorrow
We don't have to wait

So here I am baby
Yeah
Hey man what's gone on
