Nude and violated I raped the life from her body  
Lying dead the insects bite her pale skin  
My marks of torture  
Left on my daughter  
Body badly beaten  
I remember  
My ropes and chains  
Bruised her arms and legs  
I wiped her blood on my face  
Her tender body I disgraced  
Slow strangulation

Her neck twisted and broken  
Abdominal lacerations  
Blood pouring from  
Abrasions

Control of the mind  
Feelings left behind  
Dreaming inner hate  
I create an alternate state of the grave  
Scared to death  
Homicidal premonitions  
Horror fills you  
As your soul is ripped from you  
Dreaming my dream of death  
I cast the spell  
Intertwine your mind with mine  
Dreams become reality  
Enhancing the imagination  
Murder is my infatuation  
Killing off generations

Families torn to pieces  
But the one they love  
Possessed by another  
My pleasure is to murder

Entering your dreams  
Through my spell they will bleed  
Night after night  
Reoccurring killings

## Sleep

Someone wake me  
From this nightmare  
I've become my darkest fear

Awaken to the sight  
Of your hacked up family  
Their spirits are trapped  
Beyond the cemetery

Bodies rotting, but I'm not sleeping  
Scream you're not dreaming  
Someone wake me  
From this nightmare  
I've become my darkest fear  
Came to life  
In my mind  
A world of darkness  
Forever sleeping in this coffin  
Eternally dreaming...
