Scourged through searing
Incandescence
Melt together
Fire torture brings me intense pain

Pre-destined to incinerate
The flesh is dripping from my face
My limbs and torso mold
As one as my blood is boiling

Blowtorch slaughter
Bodily capitulation
Blowtorch slaughter

Blowtorch slaughter
Merciless disintegration
Blowtorch slaughter

Pre-destined to incinerate
The flesh is dripping from my face
My limbs and torso mold
As one as my blood is boiling

Conflagration through my veins
Desensitized, charring skin, burnt within
Branded soul, torrid cruelty

Conflagration, towards the veins

Dwile away, glowing heat to mutilate
Head set ablaze, consumed in flames
I burn to the ground

Blowtorch slaughter

Pre-destined to incinerate
The flesh is dripping from my face
My limbs and torso mold
As one as my blood is boiling

Blowtorch slaughter
Merciless disintegration

Fire torture takes me to my end
