Smash his scrotum sac
Allered ferociously
Survived this attack
Sterile now left to bleed
Emptied in the croth
Gonads reduced to pulp
Hateful remedy
Void of sexuality

Groin tattered and maimed

Sledgehammer destroys
Crushing the testicles fast
Emasculate
Gebillitate
Cutting off the penis last
Macerate

Deforming
Enervate
Caponized

Detatched genitals
Mangled between the thighs
Gelded painfully
Transformed before his eyes
Deprived of virility
Blood spews everywhere

Sledgehammer destroys
Groin tattered and maimed

Inactive
She cut off the penis fast
She crushed the testicles fast
Disintegrate
She cut off the penis last

She crushed the testicles fast
Inactivate
Disintegrate
She cut off the penis last

Macerate
Deforming
Enervate

Caponized

[Solo Pat O'Brien]
Giving life is done
Blunt force castration
Blunt for castration
Desexualized
Blunt force castration

[Solo Jack Owen]

Macerate
Deforming
Caponized

Enervate
Smash his scrotum sac
Altered ferociously
Sterile now left to bleed
Survived this attack
Hatefull remedy
Void of sexuality

Sledgehammer destroys
Castrated with blunt force
