Stain the sky, Armageddon  
Dormant mass no awakened  
Summoned fury devastation  
Enormous force annihilates

All that breathes shall be engulfed  
Within its path, everything dies

Ravage the earth, conquer its life  
Here to devour  
Vicious attack, ferociously savage  
Beyond a primal desire

Horde of the apocalypse arrives  
Bombardment from oblivion, invading legion gorges  
Eradicate through infestation  
Horde of the apocalypse destroys

Strike begins, it is a battle that is one sided  
Swarm consumes  
Droves assail, congregation with aggressive nature  
Swarm of death kills

Stain the sky, Armageddon  
Dormant mass no awakened  
All that breathes shall be engulfed  
Within its path everything dies

Ravage the earth, conquer its life  
Here to devour  
Vicious attack, ferociously savage  
Beyond a primal desire
