Carnage formed rebirth
A sickened lust of hatred
Damned to an eternal plight
Obscene art alive through death

Crafted gore
Masterful slaughtering
Splatter soaked
Sinister demon incarnate

Maggots feast
Horrible putrid thing
One more piece
Scraped from bone, born of decadence

Created from decay
Cold innards used for torture
Prey sought by a twisted beast
Pray to hell no one survives

Black blood horror
Normalcy won't return
Guts of the dead
Severed hearts pulsate stagnant pus

Carves dying flesh
Brutal filth reeks of rot
Layered disgust
Undead pawn made to decimate

Carrion sculpted entity

Rancid soul
Lives again immortal
Stench repulsive
Half eaten vultures picked apart

Molded scum
Archaic implements
Insanity
Covets pain vile anomaly

Carnage formed rebirth
A sickened lust of hatred
Damned to an eternal plight
Obscene art alive through death

Living in this state uncontrolled
Vengeful mutant, evil creature
Unrelenting thirst for blood

Dying by the nightmares told
Murder, murder, murder, murderer

Black blood horror, guts of the dead
Art that's living, never dying
Unrelenting thirst for blood

Carrion sculpted entity
