Engulfed in the innards  
Of rotting cadavers a rancid gore sea  
Asphyxiation  
Tangled intestines become my reality  
Choking on guts  
Asphyxiation gasping for breath  
Drowning in viscera

Slowly to taper away dissipate  
Absorbing this ultimate carnage  
Surrounding me  
Soaking in entrails decayed  
Decomposed

Entombed without reason  
In moist isolation of repugnancy  
Morose sensation  
Covered completely as terror  
Enhances pain, to suffocate  
Morose sensation gasping for breath  
Drowning in viscera

Sinking in this tamped hell, pestilent  
Smothered in heaping chunks  
Stinking flesh putrefies  
Decomposition ensures burial  
Inundated languid doom

[Solo: Pat]

Iniquity, submerged ending  
Primeval swamp, sanguinary  
Inescapable abuse

[Solo: Jack]

Starting to fade, blood saturates  
Deadly embrace, immolated  
Imbrued with pus of the dead

Eviscerate another life gutted soul  
Morbidly, obliterate

Engrossing plight fatal rot  
Consuming scum  
Drenched in evil excrement  
Sent to a world to die in pain by  
Drowning in viscera
