Possessed By Evil Force  
Satan's Wrath will kill  
He will take your soul  
Cast you to hell  
Demons dog domain  
Keeping me insane  
Evil curse my soul  
Burning away  
Satan's hell will burn  
Terrored cries are heard  
Ever lasting eternity  
Warriors of hell  
Unleashed men of sin  
Hatred hell within  
Sinners hate will die  
The exorcist  
I can see the light  
I don't want to burn  
Help me save my soul  
Let me live  
Your curse is not my fear  
Demons within me hear  
I will escape your wrath  
666  
This is not my way  
Doom, sorrow for eternity  
Lights shine below in hell  
Forever burning  
Words of insanity scream out  
The final plea  
Evil voices scream out  
Help me  
Demons in my body gone  
Sicken thoughts left beyond  
Haunted by evil memories  
Nightmares and sin  
My mind is burnt and black  
Shadowed no way back  
Fear of living in hell  
Axed my mind  
Memories held within  
Satan's gone in sin

Grasping to relieve the pain  
Scared for life  
Exorcism takes control  
Beneath my body help my soul  
Save my soul from evil hell  
Your spell is lost
