No escape from your fate
Destined to be mine
Every night I want to see
In the night, watching

Stalking your every move
I know when you're alone
All alone

Tied tight to the bed
Legs spread open
Bruised flesh, lacerations
Skin stained with blood

I'm the only one you love
I feel her heart beating
My knife deep inside
Her crotch is bleeding

She liked the way it felt inside her
Fucking her, harder, harder
She liked the way it felt inside her
Fucking her, harder, harder

Stick it in, rip the skin
Carve and twist torn flesh
From behind, I cut her crotch
In her ass I stuck my cock
Killing as I cum
