Hordes of the rotting dead surround the villagers  
Unwary victims mangled and battered  
Once buried warriors have risen to kill again  
Signs of their wickedness left for a warning

Mutilate  
Disembowel  
Amputate  
Kill and rape

Gratification achieved by dismemberment  
Unnatural legions ravage the carcasses  
Open wounds targets for evil defilers  
Seeds of iniquity cover the body parts

Necrosadistic warning  
You will not rest in peace

Violate  
Death so foul  
Ejaculate  
Pieces raped

Bound with intestines the body is held upright  
Travelers encounter the gruesome monition  
Terrorized realization of coming death  
They will be next for the army of killers  
Necrosadistic warning  
You will not rest in peace  
Necrosadistic warning  
Remains are on display  
Necrosadistic warning  
You will not rest in peace  
Necrosadistic warning  
Molested corpses hang

Undead  
Molest  
Defile

Kill them  
Butcher

Then fuck

Necrosadistic warning  
You will not rest in peace  
Necrosadistic warning  
Discharge on the corpse  
Necrosadistic warning  
You will not rest in peace  
Necrosadistic warning  
Desecration of the dead

(Solo: Pat O'Brien)
