

Cannibal Corpse "Rancid Amputation"

Visit "[Rancid Amputation](#)" on MotoLyrics.com

Torsos hang from their own intestines
Raped of all bodily extensions
Stumps wreathing in a sludge like infection
Suffering through a Rancid amputation

A pulsating artery accompanied by some veins
Slit with no restraint, sacs of pus develop
My muscles tighten as I feel the rush
I look at your body starting gush

I slice through the limb
A human dissection
Portions of half-eaten flesh in my mouth
Starting to chew your now bleeding stump

I will swallow your pus
Your own rectal slime
I'll force you to drink

Vessels explode as needles injected
Uncontrollable, my brain tormented
Slit from head to toe, die through the torture
Disease engulfs you

Internal rot
Fresh cut wounds beginning to clot
Ripping through flesh
Is what I do best

Tear off an arm, amputated neck
Eyes removed, cranium smashed
Decomposing remains, severed in half
Dying slowly never to rest, nerves are quivering as I trip

Removal of life on the blade of my knife
Inserted in your spine, smashing through bone
Feel my hell, I feed on fright
Rape the limbless cadaver
